RELATED EXPERIENCE

University of New Haven

Comprehensive view of the federal probation system. Learn many of the duties of a probation officer and assist the supervision officer by maintaining personal contact with offenders through office and community visits; seeking information from organizations and others by telephone and written correspondence; investigating an offender's employment, sources of income, lifestyle, and criminal associations; record keeping; preparing non court-related reports; and attending court proceedings.

University of New Haven

Assisted Dr. David Schroeder with coding and data entry using Microsoft excel for his National Institute of Justice funded research study regarding the opinions of detectives of the usefulness of the Forensics Analysis of Physical Evidence (FAPE) in making arrests and securing convictions.

United States Navy

Performed duties as assistants in the prevention and treatment of disease and injury. Assist health care professionals in providing medical care to Naval members and their families. They may function as clinical or specialty technicians, medical administrative personnel, and health care providers at medical treatment facilities. They also serve as battlefield corpsman with the Marine Corps, rendering emergency medical treatment to include initial treatment in a combat environment and educating Marines on public health and combat lifesaving skills

SERVICE TO THE COMMUNITY

Participated in the event where the community of Darien can interact and engage with police officers in a relaxed environment

Participated in the annual torch run to support and raise awareness for the Special Olympics

Participated in the program coordinated through The Depot to help the youth of Darien interact with police officers through fun activities helping them gain self-confidence and personal growth

SERVICE TO THE DARIEN POLICE DEPARTMENT
